

Haulin' Wood – Unveiled Aug 27, 2008

About The Artist:

Roseann Collins is a talented local artist who completed a Bachelors of Fine Arts at Grenfell University in Corner Brook.

Working alongside her daughter Candi Hunt, these beautiful works of art have been inspired by old photographs, stories and historical events which have occurred at the site of each mural.

This artistic duo have created the various paintings throughout our community.

About Us

Since 2007, we have been actively trying to preserve our heritage. Faced with a rapidly changing way of life, we hope to preserve the qualities that make Dover a wonderful place to live, for future generations.

Each mural is unveiled at a community event that strongly features music, food and great story telling.

We would be honored to have you attend our next event.
